

BEPLER

INSURANCE AGENCY

Bepler Insurance Customers:

We are here for you during this uncertain time. As your local, trusted risk advisor, we want you to know that our agency is an essential business and will remain open to serve you. While our federal, state and local government leaders have implemented many measures to reduce social interactions to slow the spread of the coronavirus, we know that no order can stop adverse events that cause insurance claims and occur in everyday life, like bad weather, flooding, tornadoes, car crashes, fires and cyber-attacks.

Our agency is exercising many precautions while we remain open. The following requirements and precautions will be taken in our physical agency location:

- Our agency will ensure employees and customers are six feet from each other
 - We will establish separate hours for vulnerable populations that may be visiting our agency 10:00 am -11:00 am.
 - We will have hand sanitizer available for our employees and customers
- Premium payments may be dropped in the box to the left of our door.

While our agency is open for business, most of our staff are working from home. The best way to reach us by phone is 614-837-4379 and by e-mail is:

Jiny@Beplerinsurance.com Cell: 614-530-9887
Luann@Beplerinsurance.com Cell: 614-270-0342
Missy@Beplerinsurance.com

Our business phone number is also our text number as well: 614-837-4379 *TEXT

Again, during this vulnerable time, we will be here to continue to serve you as questions, coverage concerns, adverse events and claims arise. Please continue to check on the well-being of your family, friends and neighbors. Support our health care providers and first responders and please support the local businesses in our community that remain open during this challenging time.

We greatly appreciate your business.

Be well,

Luann, Jiny, Missy & Bev
